Cadbury House is excited to announce our annual Christmas Fayre, a delightful event that promises to foster a sense of community in Congresbury during the festive season while capturing the enchantment of Christmas time for the whole family to enjoy. The event is open to the public and free of charge with no registration for attendance required. We invite guests to join us in celebrating the magic of Christmas.

Santas coming to town! Don't miss the chance to create lasting memories for your little ones - Santa himself along with his elves will be waiting in his enchanting grotto from 5pm to 7pm, ready to listen to Christmas wishes and spread the magic of the season. Join us for an unforgettable evening of festive fun and laughter.

Our Christmas Fayre will feature an array of stalls offering delightful Christmas treats, as well as an assortment of delectable hot and cold food and beverages, including beloved festive classics such as mulled wine, hot chocolate, and mince pies.

With an impressive lineup of over 30 stalls, showcasing the talents of local businesses and independent traders we invite you to come and support these small enterprises while embracing the festive cheer that permeates Cadbury House's Christmas Fayre.

CHARITY

This holiday season, we are embracing a more sustainable approach by going "crackerless." Instead of traditional Christmas crackers, which an alarming 40 million end up in landfill each year, we have decided to make a meaningful donation on your behalf to a charity instead.

In the spirit of giving back and spreading joy, we kindly invite you to join us in supporting two important causes.

Firstly, we encourage you to consider making a donation to Help the Homeless, as every contribution can make a significant difference in improving the lives of those less fortunate during this season of giving. Secondly, we kindly request that you bring non-perishable food items to donate to the local food bank. Your thoughtful contribution will help ensure that those in need have access to nourishing meals during this time.

Together, let us make a positive impact and embrace the true spirit of the season by extending our generosity to those who need it most. Thank you for your support and for joining us in these meaningful initiatives.

The case of Santa's 'Claws'

Christmas 1937. Mr Uffton Harlecombe, has just left a meeting of his business associates. There was very little Christmas cheer at that meeting. In fact as he pulled his thick coat around him to shield him from the silently falling snow he smiled to himself, there were more than a few people in that room who now knew that crossing him was not a smart career move.

Still inwardly laughing to himself he crossed the road and began to walk back down the side street to his motor car.

Everywhere was silent. He stopped in a doorway to light a cigarette. Perhaps for a fleeting second he may have seen the white bearded face, the crimson costume, perhaps he even saw the weapon.

Uffton Harlecombe had misjudged the meeting tonight, the information he had spilled out to the assembled people had been taken far more to heart than he could ever had imagined.

One person was going to make this a Christmas everyone would want to forget!
